

Luxury Tented Experience

SOUTH AFRICA/ZIMBABWE/BOTSWANA

KRUGER NATIONAL PARK/VIC FALLS/OKAVANGO DELTA

8 NIGHTS

Overview

This offers the wonderful experience of tented camps in Africa's premier destinations. I really think there is something incredibly special about staying in luxury tented types of accommodation and adding incredible safari destinations to the mix you can't beat it! The locations are also fabulous and really just the best in terms of what we can offer you. It is ideally for romantic honeymooners or for those couples celebrating something special.

"Ngala Tented Camp is so romantic at night with lanterns around the camp and romantic riverbed dinners for special occasions. There are stunning views onto the Timbavati River coupled with wonderful food and typical of a 5-star AndBeyond service.

"Elephant Camp is another great location on a private concession. Each suite has a private plunge pool, which is very romantic. You get incredible views of the Smoke that Thunders and also the gorges that separate both Zimbabwe and Zambia. It is close enough to the Falls to still do all the activities too and the elephant inter-action is not to be missed!

"Machaba is a great location in the Khwai area of the Delta and is reminiscent of yester-year with incredible furnishings. The lodge has a 1950's style safari tents – so really something from a classic safari movie like Out of Africa. It's pretty secluded with really amazing game viewing all year round."
