

# **Skeleton Coast Flying Safari**

## **From the Air, the Haunting Skeleton Coast, so Dramatic and Different**

**4 Days/3 Nights**

**Skeletal shipwrecks, graveyards of bleached whale and seal bones are eerie relics strewn along the desolate, foggy shores of the northern Atlantic coast of Namibia. The Skeleton Coast is a vast, bleak utterly compelling landscape filled with pathos, beauty and survival against the odds. You won't get better views, insights and experiences than on this breath-taking 4 day flying safari.**

### **Highlights**

- **Breath-taking aerial views and photographic opportunities over the dramatic Skeleton Coast**
- **The striking moon-like landscapes and fascinating desert ecology of the enigmatic Huab River Valley**
- **Desert-dwelling elephants and the exceptional Himba people of the scenic Hoarusib Valley**

### **Depart Windhoek**

**Fly to the Skeleton Coast in northern Namibia, via Conception Bay. Refuel at Swakopmund and enjoy a low-level flight north along the coast past the Cape Cross seal colony followed by a light picnic lunch near the shore.**

### **Day One**

**Later fly to the Ugab formations, a moon landscape of black ridges in desolate contrast to the pale desert floor. Overnight at camp in the Huab River Valley. [LD]**

### **Day Two**

**After breakfast discover the fascinating ecological aspects of the Huab River environs by 4x4 vehicle. This afternoon depart for a scenic flight along the coast to Terrace Bay in the Skeleton Coast Park.**

**Explore the dunes and beach by 4x4 vehicle before flying north to the Hoarusib Valley where you will overnight. [FB]**

### **Day Three**

**This morning enjoys a scenic drive along the Hoarusib Valley to visit a settlement of the nomadic Himba people, while keeping an eye out for desert-dwelling elephants. Later fly north along the Skeleton Coast to the Kunene River. Enjoy a unique lunch before continuing the journey through the mountains and dunes of the Hartmann Valley. Overnight at camp in Kunene River. [FB]**
